Notes

The data is in accordance with HESA standard registration population and all demographics use HESA definitions.

All the figures below 5 have been rounded to the nearest 5 as per the HESA Standard Rounding Methodology.

These figures exclude the course 'Global Professional Award (GPA)' which is a professional development course which all first degree students are enrolled on in addition to their main course, as such, the figures seen here will differ from those published by HESA.

Student numbers by UK, EU and Non-EU: 'Nationality' has been updated to 'Domicile'

The category titles here have been updated in line with HESA reporting - 'UK', 'EU' and 'Non-EU', instead of 'UK', 'EU' and 'International'

Changes have been made to Ethnicity and Sexual Orientation categories due to the relevant HESA fields being updated to HESA Data Futures.
